

What's New For August?

Welcome to the Mount Tabor Ministries Newsletter. We would like to extend our offer to those of you who would like to donate to our noble cause. Our goal is always to provide assistance to those in our community without forgetting the needs of others abroad. We must never forget how blessed we are and how loving it is to share our blessings with others.

Ultimately, we would like to build a school for children in Congo who have so little. Will you help us?

If you would like to provide a monetary donation please click on the link located on our Home page. Little or much, we are grateful for your help.

Please check back next month for updates about projects we continue to host toward goals in our community and abroad.

May you be blessed!

This month Mount Tabor Ministries and Health Services will host our 'SCHOOL BUS INITIATIVE'.

During this drive we will accept tax-deductible financial contributions from individuals and organizations toward our goal of purchasing used school buses to send to Congo. These buses will transport students from their homes to schools and villagers to the medical care they require.

If you are giving your donation in the form of a check, please make it payable to Mount Tabor Ministries, Inc. and mail to P.O. Box 1356, Matthews, NC 28106, USA. You can also make your donation online by clicking the link you will find on our website www.mounttaborministries.org.

If you require more details, send your request to mtmhsad@yahoo.com. Let's get involved with helping our global community!
